(STATEMENT OF FACTS)

I Sidney Clayton never had any health problems with my breathing until I was exposed to (EST) over a period of time. I told the administration that I have developed asthma and I would like to be put in a ~~new~~ environment that I don't have to be subjected to second hand smoke out side by force. In the indoor facility I don't have to go outside if I don't want to. Smoking is not allowed inside.

For the inmates safety there is a lack of Sprinkler systems in certain dorms. I told them that this is unsafe and a violation to fire codes. The administration ignored my administrative complaint. All of these issues are harmful to mine and other peoples health and well being.

STATEMENTS (2)

- ① Sergeant Flowers Threaten to cause physical harm to me I could not address the problem at hand.
- ② COI Brown was the cause of the Sexual Harassment towards me due to his vindictive behavior, and out bursts.
- ③ COI Starks was in the area working when this happened.
- ④ COI Mrs. Williams was in the office when threats were placed on me by Sergeant Flowers and COI Brown.
